

## Minor in Health Education

The Minor in Health Education is an 18-unit program. The minor compliments many major programs offered by other University departments and has been designed for maximum flexibility. Individuals should work with a Health Education Advisor to select appropriate courses.

Courses are 3 units unless otherwise indicated

### Core Required Courses (2 courses/6 units)

**PH(H ED) 221:** Health & Social Justice

**PH(H ED) 210:** Personal & Social Determinants of Health

### Electives (4 courses/12 units, at least 6 units must be upper-division)

Electives from Holistic Health or related fields will be considered on advisement as related to student's needs and interests.
